STUDENT DEVELOPMENT PROGRAM

Report

AIMAN College of Arts & Science for Women, Trichy with **IBM EDUNET FOUNDATION** organized a Student Development Program on **"Orientation Program for Introduction to Artificial Intelligence"** on 19.08.2021. The resource person Swathi Kallesh, Professional Skills Training Specialist at Edunet Foundation handled the sessions very interestingly and effectively. She has been conducting webinars and orientation sessions and acts as a link between external stake holders (Government agencies, training program providers) and student community giving the orientation to maximize participation and capacity building. Students from Computer Applications, Computer Science, Maths and Physics participated in the program. She engaged the students starting forms basics of Artificial Intelligence and explained its applications and demand on job opportunities. She guided the students to complete the course on Skillsbuild and generate the completion certificates. Around 150 students downloaded the completion certificates. She concluded with introduction of various courses and asked the students to complete as many courses they can.
