AIMAN College of Arts and Science for Women, Trichy-21

**Department of Nutrition and Dietetics
&
Food Safety Department Trichy zone**

Department of Nutrition and Dietetics of AIMA College of Arts and Science for Women and Food Safety department, Trichy zone organized "The Global Iodine Deficiency Disorder prevention day and Food Safety awareness programme on 22nd October 2021 at 9:30 am. The Chief Guest of the day was Thiru.S.Sivarasu, IAS District Collector, Tiruchirappalli. The Guest speakers were Dr.R.Ramesh Babu MBBS, Designated Officer, Food Safety department, Tiruchirappalli, Manithavidiyal Dr.P.Mohan, Consumer Club president, Southern consumer and people production movement, Tiruchirappalli.

Principal Dr.Suhashini Ernest welcomed the gathering and introduced the Chief Guest Thiru.S.Sivarasu, District Collector, Trichy and the Guest speakers of the day. Director Prof.Dr.M.M.Shahul Hameed felicitated the gathering. Thiru.S.Sivarasu, District Collector, delivered valuable speech on "Food Safety and stressed the importance of Covid vaccination". Dr.R.Ramesh Babu delivered speech on "Iodine Deficiency and Food Adulteration" followed by Dr.P.Mohan, Consumer Club president, talked about the "Importance of Iodine". Mr.Stalin prabhu, Food Safety Officer and Mr. Syed Ibrahim, Food Safety Officer, Srirangam Block demonstrated the adulteration of food products like milk, honey, jaggery, cereals, pepper, chilli powder, turmeric powder, peas, coffee, tea, ghee and butter with simple techniques. He also motivated students to find out the adulterants and guided the students to use pure products. He explained the laws and norms of FSSAI. Students raised many questions regarding food adulteration and it was clarified by them effectively. Mrs.M.Jasmin Uhanitha, Head, Department of Nutrition and Dietetics proposed the vote of thanks. The programme was very informative and useful to both students and staff members. Nearly, 150 students participated and were benefited by this programme.
