HYPHY-23 Report

Date:11.01.2023

The PG & Research department of Physics, HOLY CROSS COLLEGE (Autonomous), Tiruchirappalli organized one-day program of "HYPHY" on 11 January 2023. Students from various colleges participated in this competition and showed their talent.

The competitions included Physhaiku, Pitch Your Product, Brain knockers, Breadboard, Flutter My Shutter. The student explained well about the photography based on the laws of surface tension (Flutter My Shutter). They advertised their product Smart Lighting System in "Pitch your Product" for three minutes.

About 10 students from our college participated and gained knowledge with merit certificates.
