REPORT

RECENT TRENDS IN FOOD PROCESSING AND TECHNOLOGY – 28.02.2022

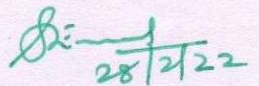

As a part of National Science Week Celebration 2022, the Department of Nutrition and Dietetics organised a one day webinar on the topic “Recent Trends in Food Processing and Technology”. The Guest speaker was Mrs. D.Bhuvaneshwari, Assistant Professor, PG and Research Department of Nutrition and Dietetics, Jamal Mohammed College, Trichy.

Mrs. M.Jasmin Uhanitha, Head, Department of Nutrition and Dietetics welcomed the gathering and introduced the guest speaker of the day. She delivered her lecture on “Recent Trends in Food Processing and Technology” by screening out her Power Point presentation to the students. She explained various food preservation techniques such as encapsulation techniques, food radiation therapy, pulsed light technology and other currently emerging techniques. Finally, she explained about the impact of top 10 food technology trends and innovations that prevail in India. At end of the session students raised many doubts which were then clarified by the speaker. Ms. K.Priyadharshini, Assistant Professor, Department of Nutrition and Dietetics proposed a vote of thanks. Nearly, 220 students participated in the virtual mode and came to know about various technologies that are practised in Food Industry.
