REPORT

STARTUP OPPORTUNITIES FOR ENTREPRENEURS IN FOOD INDUSTRY - 09.03.2022

Institution Innovation Cell and Department of Nutrition and Dietetics jointly organised a one day webinar on "Start-up Opportunities for Entrepreneurs in Food Industry". The guest speaker of the day was Dr.Sangeetha , Assistant Professor, Institution Innovation Cell Ambassador, Jamal Mohammed College ,Trichy.

Mrs. Ganga Devi, Assistant Professor, Department of Nutrition and Dietetics welcomed the gathering and introduced the guest speaker of the day. Dr.Sangeetha delivered her lecture on the components that are required to become an entrepreneur in food industry in which she told about the food groups and its aspects, various assessing measure to identify the shelf of the food and about the different technological aspects involved in food industry. She then spoke on the factors that influence the heat treatment followed by which she depicted the materials that are used for packing at food industry and various processes that are carried out for extracting pigments from vegetables and fruits. She concluded her lecture by motivating our students to become future entrepreneurs in food Industry. Mrs. Jasmin Uhanita, Head of the Department Nutrition and Dietetics proposed a vote of thanks. Nearly 200 students participated in this event through online and got benefitted and grasped the ideas required to start up a business in food industry.
