Report

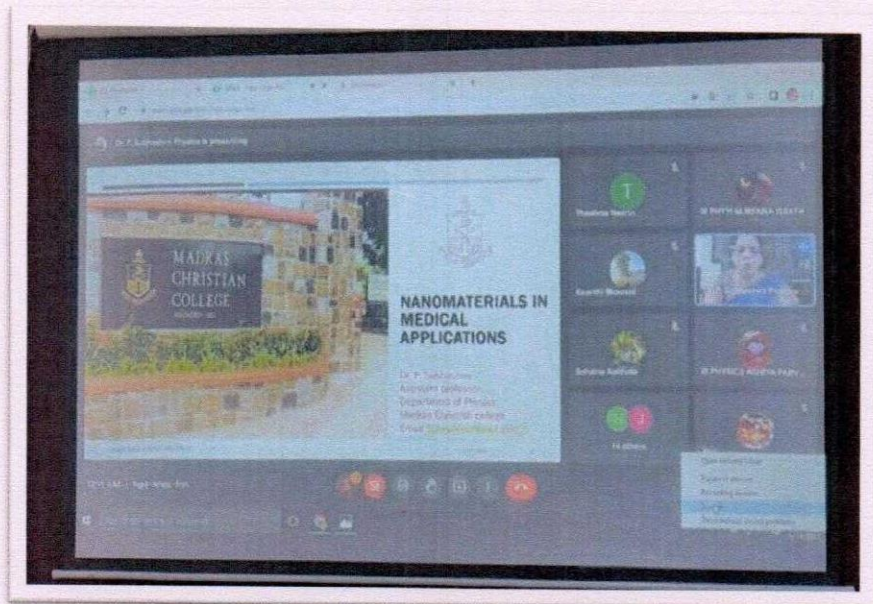

On

Nano Materials and its Medical Applications

On 19th of May 2022, a meeting was conducted by the Department of Physics in AIMA College of Arts & Science for Women on the topic “Nano Materials and its Medical Applications” held at Seminar hall in Virtual mode. The session commenced at 12.00 noon with prayer by Mrs.K.Sharmila, IIIB.Sc (Physics) which was followed by welcome speech by Ms.H.Afrinbanu, (I PHYSICS). The Resource Person was Dr.P.Subhashini, Assistant Professor, Department of Physics, Madras Christian College, Chennai. She gave a brief introduction to Nano Materials and its properties. She explained that the Nano ZnO has more strength than ordinary ZnO in the treatment of Cancer. Early detection and prevention, improved diagnosis, proper treatment and follow-up of diseases is possible when Nano Materials are used in Medical field. The information delivered was very useful. The meeting was attended by 30 students from the Department of Physics and the session came to end with a vote of thanks by Ms.S.Jameela, III B.Sc (Physics)
