Sub: Visit to your esteemed Planetarium on 11.10.2022-Reg

Dear Sir,

I hope this letter finds you well. To request Permission for a visit to your esteemed Planetarium on 11.10.2022. We assure you that our students will adhere to all rules and guidelines set forth by the planetarium. Additionally, we are willing to coordinate with your staff to ensure a smooth and enjoyable visit for everyone.

If there are any specific requirements or procedure we need to follow, please let us know at your earliest convince. We appreciate you consideration of our request and look forward to the opportunity for our 180 students to explore and leave at ANNA SCIENCE CENTRE- PLANETARIUM.

Thank you

Total Student Strength : 23
Place : Anna Science Centre-Planetarium, Trichy.
Date : 11.10.2022

To Whom It May Concern,

Introduction:

On **11.10.2022**, students and faculty members from AIMAN College of Arts and Science for Women went on a field trip to Anna Science Planetarium located in Trichy. It was a one-day trip.

Objectives:

The primary objectives of the field trip were to provide students with a practical learning experience in the field of astronomy and space science, fostering an understanding of the cosmos and its elements. Additionally, it aimed to inspire and stimulate scientific curiosity among the students, allowing them to connect classroom learning with real-world applications.

Participants:

A total of **23 students** from various departments, **23 students from I BCA, Department of Computer Applications** accompanied by the staff members listed below.

Staff coordinators:

Mrs.B. Fahameda Thabaseem
Ms. R. Vasumathi

Activities and Highlights:

Upon arrival at the Anna Science Planetarium, the students were greeted by the knowledgeable staff and taken on a guided tour, which included:

1. **Sky & 3D Theatre:** An immersive and educative planetarium show that vividly explains celestial bodies, constellations, and cosmic phenomena. The interactive presentation captivated the students' interest and enhanced their understanding of astronomical concepts. The sky theatre was real like a sky. The planets and stars are just like close to us. Students were overwhelmed.
2. **Exhibits and Displays:** The students had the opportunity to explore various exhibits and displays showcasing astronomical instruments, models of spacecraft, and informational panels elucidating the universe's wonders. This hands-on experience allowed them to visualize abstract concepts learned in classrooms.

K.Sathanur, Tiruchirappalli-620 021.

3. **Models:** The various stone models of Dinosaurs, and animals have been kept and their details are displayed for the viewers.

Outcomes: The field trip to Anna Science Planetarium proved to be a rewarding experience for all participants. The key outcomes included:

- Enhanced understanding of astronomical concepts and their real-world applications.
- Increased interest and enthusiasm for the study of space sciences.
- Strengthened student-faculty relationships through shared learning experiences.
- Encouraged critical thinking and inquiry-based learning among students.
- Gained practical knowledge about space and science.

Conclusion:

The field trip to Anna Science Planetarium was a resounding success, enabling our students to grasp complex scientific concepts engagingly and practically. Such experiences play a pivotal role in supplementing classroom education and nurturing a passion for scientific inquiry.

We extend our gratitude to the staff at Anna Science Planetarium for their hospitality and expertise, contributing to a memorable and educational experience.

FIELD TRIP REPORT

ANNA SCIENCE CENTRE-PLANETARIUM, TRICHY

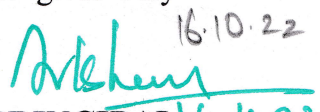

Name of the Program : FIELD TRIP
Classes Participated : I -Year B.Sc (Computer Science)
Total Student Strength : 34
Place : Anna Science Centre – Planetarium, Trichy
Date : 11.10.2022

The one day field trip to “Anna Science Centre - Planetarium, Trichy” on 11th October, 2023 by I year UG – Computer Science students from AIMAN College of Arts & Science for Women, There are 34 students participated along with the faculty member of the department Dr.R.Vasumathi.

The planetarium is divided into the two main parts- the sky theatre and the Exhibition Hall. The students watched the movie “Our Universe”. As the lights dimmed and the journey through the stars began, the excitement among the students was overwhelming. The skies came alive on the massive dome theatre. The show was extremely good and provided a good visual experience as well as factual knowledge of astronomy. The trip proved to be an enjoyable learning experience for the students.

They were excited to have a 3D view of the things that they had just imagined to be huge luminous objects somewhere out there in the vast space in the universe. There were a few other exhibits at the Planetarium which enlightened the learners.

Later students played in the park for some time, shared food among each other. It was a very fruitful and enlightening trip that set many young minds aspiring to know about astronomy as a subject and learn more about the intriguing outer space. It gives very informative knowledge about the Universe in a scientific manner.

PLANETARIUM VISIT

REPORT

On Friday 11 October 2022, Department of Nutrition & Dietetics for I year students from AIMAN College of Arts & Science for women, Trichy Organized One day field trip to Anna Science Center Planetarium Trichy. Consist of 64 students along with two faculty members of the department Ms.Nishanthi and Ms.Hemalatha

It was indeed a flight through the universe. They were excited to have a 3D view of the things that they had just imagined to be huge luminous objects somewhere out there in the vast space in the universe. It was fun knowing of one's weight on the moon and other planets. The skies came alive on the massive dome theatre. The show was extremely good and provided a good visual experience as well as factual knowledge of astronomy.

The overall organization of the visit, included scheduling, transportation, and communication, were evaluated students were provided feedback on the ease of registration and any logical issues they encountered. Besides, they assess the quality and relevance of the contact presented during the visit. Students comment on the depth of information clarity of explanations, and how well it would be related to their coursework

Moreover, planetarium visit included interactive exhibits and presentations. We got valuable feedback on the effectiveness of these elements. They were engaged and enhance the learning experience. Further more, they evaluated the effectiveness and gained knowledge from the presenters . They answered students questions and also provided additional insights too. The planetarium visit aligns with the academic goals and curriculum of the students courses.

On the whole, it was a refreshing, educational and fun-filled experience for the students.

PLANETARIUM VISIT

11.10.2022

REPORT

A field trip was arranged on **11.10.2022** to the Anna Science Centre -Planetarium an immersive and enlightening experience. Located in Trichy, the planetarium offers a captivating journey through the cosmos, combining education and entertainment. Consist of 30 students along with faculty member of the department Ms.k.Nandhini. The planetarium's facilities were modern and well-maintained and theater provided a stunning view of the night sky, utilizing state-of-the-art projectors to simulate celestial events, galaxies, and astronomical phenomena. Interactive exhibits and informational displays were strategically placed, enhancing the overall educational value of the visit. They visit featured several captivating programs. The main show, "Cosmic Odyssey," provided a comprehensive tour of the universe, showcasing planets, stars, and distant galaxies. The narration and visuals were both informative and visually stunning, capturing the imagination of attendees. Moreover, the live presentation by the resident astronomer about current celestial events and recent astronomical discoveries was engaging and insightful. Educational Value: The planetarium visit offered a wealth of educational opportunities. Concepts in astronomy, astrophysics, and space exploration were conveyed in an easily understandable manner. The interactive exhibits encouraged hands-on learning, making complex scientific principles accessible to visitors of all ages. On whole, visit to Anna Science Centre -Planetarium was an enriching experience, offering a perfect blend of entertainment and education. It was an educative trip that lent much learning
