ECO CLUB

AWARENESS PROGRAM

ON

IMPORTANCE OF MILLET MISSION

03rd MARCH 2023

REPORT

The awareness program on “**Importance of Millet Mission**” was organized by the Eco club, AIMAAN College of Arts and Science for Women on 03rd March 2023 at Government Higher Secondary School, Innam Periyanyaki Chatram.

The objective of the awareness campaign was to educate students about the importance of the Millet and its significance in promoting sustainable agriculture, enhancing nutritional value, and supporting food security.

An informative presentation was delivered by Our Final Year Students from the Department of Nutrition and Dietetics, highlighting the benefits of each millets. Following the presentation, an interactive session was conducted to engage students in discussions about the importance of incorporating millets into their diet and the role of millets in addressing malnutrition.

The campaign successfully raised awareness among students about the significance of the Millet Mission in promoting sustainable agriculture and improving nutritional outcomes. Students showed enthusiasm and interest in learning about millets and expressed willingness to incorporate them into their diet. Faculty members also appreciated our initiative.
