WELCOME TO HOME AWAY FROM HOME

A Hostel for the girl students pursuing higher education must necessarily be a home away from home in the sense it should cater to all their daily needs such as nutritious food, safe and comfortable stay and a conducive atmosphere for their studies, in other words her second home.

An ideal hostel must have in its daily agenda of its activities such programmes as offering facilities for learning and practicing Deeniyath, arranging appropriate games & sports to promote healthy growth of the students' physique, providing opportunities for their empowerment and social interaction with the students of all communities and making available to all, unlimited scope to build in themselves excellent character, exemplary behaviour and an enviable personality.

When the students join their parents after the completion of their courses of study, the

latter should find them as paragon of virtues, highly empowered and motivated with an in-built ability to shoulder the future responsibilities with courage and confidence.

It is with this avowed objective, AIMAN Women's College has been established and functioning.

The Hostel provides to the inmates all facilities for having nutritious food in a clean atmosphere, comfortable stay with utmost security and other facilities for an all-round growth of both brain and brawn power.
