Institution's Innovation Council & PG Department of Computer Science

Jointly organizes

“National Pollution Control Day”

The Institution's Innovation Council(IIC) and AIMAN College of Arts & Science for Women, Trichy conducted an awareness activity Quiz on 2nd December 2022 with an aim to raise awareness among the students about the increasing air pollution and educate them about how to control it. Through google Forms, E-quiz was observed virtually for all the departments of UG and PG, on the topic **“National Pollution Control Day”**. The questions were comprised of energy conservation awareness and also to inculcate the knowledge of students to protect natural resources.

This day is observed every year on **2nd December** to bring awareness about the dangers caused due to polluted water, land, and air. Pollution is a major problem that India is not only facing, but the whole world is battling with it. It is also known as environmental pollution. National Pollution Control Day is observed in memory of those who lost their lives in the Bhopal Gas tragedy on 2nd December 1984.

434 Students actively participated with great enthusiasm to save mother earth for themselves and for the upcoming generations.

“If we heal the earth, we heal ourselves”
