REPORT ON
EXPOSURE AND FIELD VISIT FOR PROBLEM IDENTIFICATION
(INDUSTRIAL VISIT TO CO-MILK INDUSTRY)

DATE 20/10/2023

I am pleased to share a brief summary of our recent industrial visit to Co-Milk Industry, organized by the Department of BBA at AIMAN College of Arts and Science for Women, Trichy-21 on 20/10/2023. A total of 43 BBA students participated in this visit, with 20 from the I BBA class and 23 from the II BBA class. The visit was coordinated by Dr. V. Sumathi, Head of the Department of BBA, and Assistant Professor Ms Haritha Lakshmi. G from AIMAN College of Arts and Science for Women, Trichy-21

VISIT HIGHLIGHTS:

The visit was made possible by the excellent arrangements made by HR Kavitha at Co-Milk Industry. During the visit, the Co-Milk team provided in-depth insights into their milk processing and product manufacturing procedures. We learned about the milk procurement process from farmers, the machinery involved in milk processing, chilling, research and quality checking, and the packing process. The industry also showcased their infrastructure, including the inspector room, blast room, and cold room. Co-Milk Industry specializes in the production of milk, curd, and paneer, and we gained valuable knowledge about these products. Our students actively engaged with the industry representatives, asking questions and seeking clarification on various aspects.

FEEDBACK

Our students provided feedback to the industry, and I am pleased to inform you that they left with a positive impression. They expressed their satisfaction with the visit, having gained valuable insights into milk product manufacturing and industry administration. This industrial visit was a valuable learning experience for our BBA students, and we look forward to more such enriching opportunities in the future.
