CONSTITUTION DAY REPORT

The National Constitution Day of 2023 was observed on November 24, 2023, at the conference hall of AIMAN College of Arts and Science for Women. The day commemorates the adoption of the Indian Constitution in 1950, which is a significant milestone in India's transition to a sovereign republic. Ms. Sameeha Banu of second year maths, delivered the oath, which was taken by approximately 48 volunteers who included staff, students, and program officers.

The program acted as a reminder of the country's dedication to democratic values. Students and educators strengthened India's democratic fabric by taking the Constitutional Day Pledge. On this day of remembrance, we have all had the opportunity to reaffirm our commitment to the values found in the Indian Constitution, which include promoting justice, liberty, equality, and fraternity for all members of society.
