Report on My Motivational Session by Successful Innovators (My Story)
Speaker: Ms S. Nasrin Banu, M.A., PGDELT, Dip. IBF., MU-ALLAMA., B.A. (Hindi)

The IIC & PG Department of English of AIMAN College of Arts and Science for Women jointly organised a seminar on My Story: My Motivational Session by SuccessfulInnovators. Ms S. Nasrin Banu, Founder & CEO of NSTSpotlight Online Academy, Manaparai addressed the students between 12.30 and 1.30 p.m. on 04.11.2022.

Ms. Nasrin introduced herself as a proud alumna of AIMAN college and nostalgically looked back to her days in AIMAN. Her talk highlighted the fact that success lies in imparting knowledge, and she said that AIMAN gave her the confidence and mental strength to become what she wanted to

be. "Experience determines the level of success and one should not hesitate to express themselves," said Ms Nasrin. She recounted how hard it was for her to emerge as a successful entrepreneur.

Intending to motivate the students, she insisted them find the talents hidden in them. Her talk underscored the need to fix the short-term and the long-term goals and to start working towards them, not paying attention to unwanted comments/discouragements. She said, "Winners know onlyto win, whereas those who fail will learn ways to success." Realising one's potential, striving hard for achievements, positive and healthy criticisms, and optimism were the concern of the speaker. She elucidated on the bumps that she faced during her journey as an entrepreneur and on the need to ignore those who demotivate us.

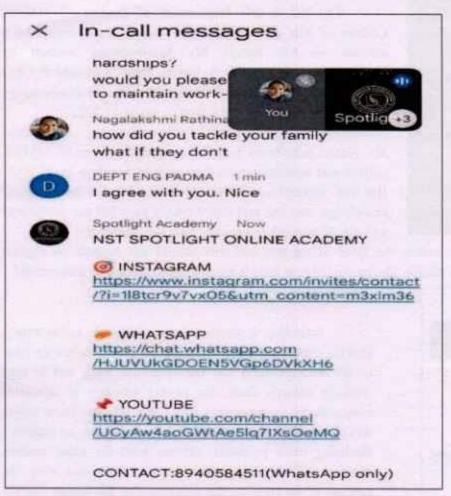

Signature Not Verified BALASUNDABAM VANI 03.07.2024 18:18

On the whole, her talk enkindled new hopes andenthusiasm among the students. The students interacted with

Ms. Nasrin who answered them patiently and encouraged them to pursue a career of their choice.

Further, she gave a glimpse of theservices that are done by a group of volunteers which includes planting of trees. She also extended an offer asking students to join her academy, if they were interested. She elaborated on the activities carried out by her with 50 other volunteers and shared her contact number for social media links in the Google Meet chat box. With the grace of the Almighty, the program came to an end at 1.35 p.m.

AIMAN ALUMNUS ASSOCIATION

PEP TALK WITH SOMEONE CLOSER TO AIMAN

"Creating an engaged alumni network is beneficial for us because engaged graduates are much more likely to want to "give back" to College; that could be, for example, by coming back and sharing their experiences with prospective and current students – there are no better ambassadors for our AIMAN than our alumnus"

Seasoned alumni, who have a fascinating track record within their field, can add a lot of value to the academic programmes. We are calling, our alumnus to return or to give a talk on Webinar about their area of expertise. This practitioner's point of view, gives students fresh and real-life insights into specific industries. One such Alumnus is Mrs. Darakshan Takmeel, Senior Product Manager, Medimpact Healthcare Systems, California, USA, who belongs to Batch 2004. She has completed her Bachelor's Degree in Computer Science from our College. On 14th of October 2019, we had a Pep Talk with our Alumnus via Skype from 9.00 am to 11.00 am (IST).

She was excited and was very happy to meet our current Final year students from the department of Computer Science & Computer Applications. A total number of 80 students attended the meeting. She shared her valuable experience & reminiscences during her College days. Shifting from her Native (Odisha) to

Signature Not Verified BALASUNDARAM VANI 03.07.2024 18:18

Trichy was a terrific experience for her. Further she described about how she got recruited from Cognizant and her Career Journey.

She was introduced to students by Ms.B.Farhan, Management Executive, as well as Alumnus of our College belonging to batch 2017-2019. It was headed by Mrs. Gurshith Begum & Mrs.Aasha, Asst Professor's Department of Computer Science both of them were our Alumnus.

She highlighted three major things important for life

- Goal Setting Goal setting is an absolute crucial first step to become successful – goals are what take us forward in life and without goals everything falls apart.
- Making Notes She informed students to take notes of what they do regularly and analyse how much Time they spend on for upgrading their future.
- Communication She insisted on English language which plays a vital role in availing Job.

She spoke separately with Principal- Dr.Suhashini Ernest, Director PG & Research Studies - Dr. Sheik Mohammed & with Vice Principal Mrs.Fahmeedha Thabseem regarding the growth & welfare of our college.

Feedback given by

Mrs. Darakshan Takmeel , Senior Product Manager, Medimpact Healthcare Systems, California, USA.

Assalam Alaykum,

I took great pleasure in talking to students in the recent webinar. I have a suggestion to help improve communication skills among the students.

Starting a toastmasters club in the college will not only allow Aiman students to improve on their communication skills, but will also help draw students from Signature Not Verified other colleges who do not have a club in their own college.

Please see information in the link below. There is a fee associating to start the club, and inshallah I can try to help with the one time fee and we can talk about serious Aiman students who are looking for career advancement and may need some form of sponsorship.

Recommendations

- 1. Improving Communication Skill.
- 2. Starting a Toastmasters Club.
- 3. Career opportunities.
- 4. Sponsorship for creating club.

Wa Alaykum Assalam,

Thank you for connecting with me. I'm more than happy to help out as an alumnus. The time that works best for me would be Monday mornings around 10 am IST, because that would be Sunday night for me.

Here is some of the information that you asked for:

- Year of graduation: 2004
- Skype id: Darakhshan.takmeel1

What kind of picture are you looking for? Would a passport size picture be sufficient?

Thanks, Darakhshan [Quoted text hidden]
